

TANVI DESHMUKH

PRODUCT DESIGNER | INDUSTRIAL & PHYSICAL PRODUCTS

Ahmedabad, Gujarat, India | +917030352999 | tanvideshmukh7710@gmail.com

PROFESSIONAL SUMMARY

Final-year Product Design student at Anant National University with experience in research-driven physical product development, prototyping, and user-centered design. Interested in translating insights into manufacturable products through sketching, CAD, material exploration and iterative testing. Seeking a 4–6 month graduation project where I can contribute to industrial product development from research to prototype.

CORE SKILLS

Industrial & CAD	Product Research, Sketching, Prototyping, Fusion 360, Solidworks, KeyShot, Material Exploration
Research & Strategy	User Testing, Journey Mapping, User Personas, Contextual Inquiry, Qualitative Insights
Digital Tools	Figma, Information Architecture, Interactive Prototyping, Technical Documentation

WORK EXPERIENCE

Product Design Intern | *We Hear Innovations Pvt. Limited*

Ahmedabad, India

- Led field research with users to define ergonomics and touchpoint requirements for a new hardware concept.
- Built physical mockups, low-fidelity structural prototypes, and workflow directions in Figma to evaluate form factors and spatial interactions.
- Synthesized qualitative user feedback into actionable personas and journey maps to align design revisions with physical and functional user requirements.
- Collaborated on iterative form adjustments, product layout refinements, and visual presentation assets as feedback evolved.

Design Mentor & Portfolio Buddy | *Gurumantra Academics Pvt. Limited*

Remote

- Structured weekly design reviews to help students refine project narratives, organize research findings, and strengthen physical concept presentations.
- Guided junior designers in framing product architecture, developing journey frameworks, and improving project visual hierarchy for studio reviews.
- Facilitated usability evaluation sessions and peer reviews to enhance layout clarity, graphic communication, and concept storytelling.

EDUCATION

Bachelor of Design (B.Des.) in Product Design

Anant National University — Ahmedabad, Gujarat

Expected 07/2027

Higher Secondary Education / Diploma

Dr. D.Y. Patil College — Kolhapur, Maharashtra

06/2023
